

How do I work on a computer?

Here are some buttons that you will use:

Word	Definition
 Log In	How to connect to a computer
 Username	A name that is for you to use
 Password	A word that keeps us safe
 Log Out	Leaving a computer safely

This saves your work.

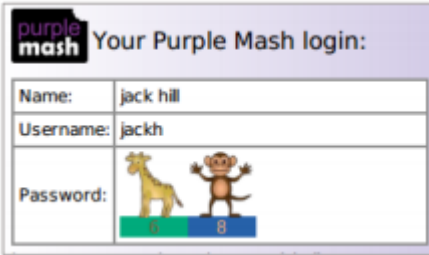

You can read a message from your teacher here.

2Dos

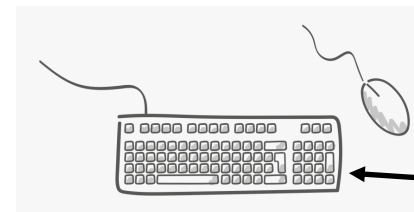

This is where you find your task from an adult.

purple mash Your Purple Mash login:

Name:	jack hill
Username:	jackh
Password:	

You must keep your username and password safe.

You will use a mouse and a keyboard.

Can you make your picture look like you?
