

## How can I use technology to talk to my friends?

Word	Definition
Attachment	A file that is sent with an email
Address Book	A list of people that you regularly contact
Contact	To speak to or get in touch with
Compose	To write or create something
CC	Stands for “carbon copy” and sends an exact copy of an email

Emails are used to communicate messages between two or more people over the internet. You can attach pictures or files that you want to send them. You have to know someone's email address to be able to send them an email.
