

Word	Definition
Solve	Find the answer.
Cooperatively	A resolution made after consideration.

### Key Knowledge and Concepts

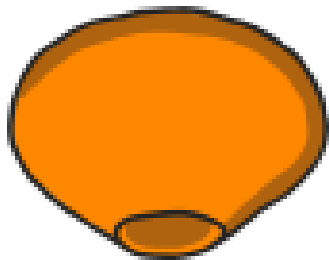

#### Domes and Dishes -

The class will be split into two groups. Cones will be spread around the hall—some facing up and some facing down. One group will need to turn the cone to face up (dome) the other group will need to turn the cone upside down (dish).

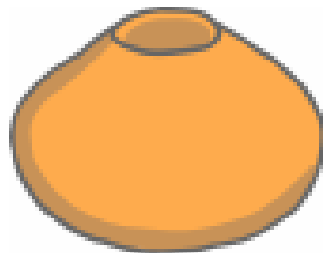

You can only turn one cone at a time.

The team with the most cones facing their way will win.

dishes

domes

#### Health and safety

Be mindful of the space around you.

Look up when bending down to avoid bumping heads.
