Key Knowledge and Concepts

Your body can do lots of things such as: **skipping**, dancing, jumping, sports (gross motor skills) writing, **drawing**, reading. Can you think of any more?

Some things I do in private: going to the toilet, having a bath.

Anything that is in my pants is private. I should only show certain people.

My body has lots of different parts—head, shoulders, knees and toes.

Germs get into our bodies through our mouths and
