

What are risky situations and how do they make me feel?

- What is my name, address and phone number and when might I need to give them?
- What is an emergency and who can help?
- What makes a place or activity safe for me?
- What are the benefits and risks for me when walking near the road, and how can I stay safer?
- What are the benefits and risks for me in the sun and how can I stay safer?
- What do I enjoy when I'm near water and how can I stay safer?
- What are the risks for me if I am lost and how can I get help?
- How can I help to stop simple accidents from happening and how can I help if there is an accident?

Word	Definition
reduce	To make something less
Safe/safety	Protected from danger
risk	A situation that might involve danger
harm	At risk of being hurt
emergency	a serious and sudden often dangerous situation

Key Knowledge and Concepts

I understand that there are some risky situations such as not looking carefully, being too excited, being in the wrong place, not putting a seatbelt on.

There are people or groups in the community who might help in a risky situation for example a police officer.

I know what an emergency is and understand who I might need to contact in different situations. For example if there was a fire I would ring 999 and ask for the fire service.
