| reign | How long a king or |

Key Knowledge and Concepts

Elizabeth I was the queen of England nearly 500 years ago. She was the queen for 44 years and this time was known as the Elizabethan Era or England's Golden Age.

She had red hair and wore thick, white makeup to hide the scars on her face. She wore beautiful clothes decorated with jewels.

Queen Victoria encouraged people to explore new lands and search for treasures.

Queen Victoria became the queen nearly 200 years ago when she was 18.

She lived in Buckingham Palace.

She became the longest reigning British Monarch and was the queen of the biggest empire in history.
