

## Key Knowledge and Concepts

How to field a ball:

Members of the fielding team should be spread out. One player must be behind the wicket as the wicketkeeper.

Members of the fielding team should communicate with each other in order to get the ball back to the bowler as quickly as possible.

Throw the ball to each other instead of running with the ball.

Health and safety

The cricket bat must stay below waist height.

Aim to hit the ball away from people.
