### Leicester

Leicester is a city in the East Midlands.

In Leicester, there are many human features including a cathedral, railway station, town hall, clock tower and King Power football stadium.

Cathedral

Railway station

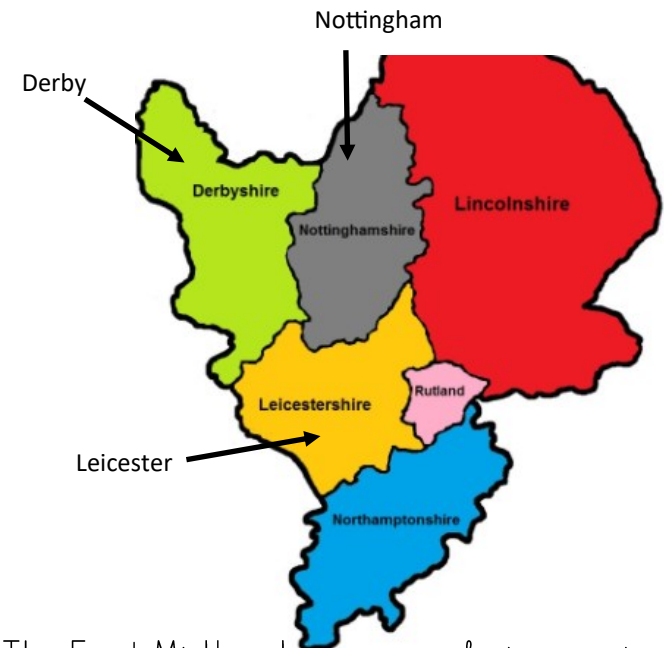

Town hall

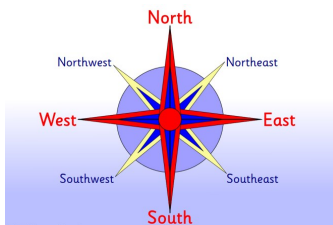

King Power football stadium

### East Midlands

The East Midlands is one of nine regions in England. Leicester is the largest city in the East Midlands and Nottingham is the largest urban area.

There are 8 points on a compass. A compass shows people which direction they are travelling in and helps them find their way.

Leicester has changed over time for example the clock tower had tram lines around it but is now pedestrianised.
