

Word	Definition
Orientate	Face the map the way you are going.
Symbol	A mark or picture used to represent an object or place on a map.
Navigate	Find way to an end point using directions on a map.
Marker	An object used to indicate a position, place or route.
Route	A way or course taken to get from a starting point or position.

### Key Knowledge and Concepts

Move your body around the map—keeping the map facing the same way throughout—rather than moving the map.

An effective map is an accurate representation of the area depicted.

Effective communication is clear and concise. Simple instructions allow the reader and map follower to understand.

### Health and safety

Be mindful of environment and look where you are going when following a map.

Hold clipboard and pencils carefully to avoid injury when travelling.
