

Question:What is the weather like today?

Word	Meaning
<u>le temps</u>	the weather
<u>il pleut</u>	it rains
<u>il neige</u>	it snows
du soleil	some sunshine
<u>du vent</u>	some wind
<u>beau</u>	nice
mauvais	bad
<u>chaud</u>	hot
<u>froid</u>	cold
l'est/l'ouest	east/west

Key knowledge and concepts:

- Language have unique differences: We say it is hot but in French it is 'doing' hot! In English we say it is sunny but in French 'there is' sun. It does not make perfect sense in English, but it is how it is expressed in French! Understanding it is not always a word for word translation.

Quel temps fait il?
