

Year 5 Curriculum Newsletter – Spring 2

Maths

In Maths, we will be looking at fractions and decimals. We will be finding equivalent fractions, adding and subtracting fractions with different denominators and multiplying a fraction by a whole number. We will then look at decimals where we will be converting fractions to decimals, ordering decimals and adding and subtracting decimals up to 2 decimal places.

English

During this term, we will be reading A Road to Nowhere. We will be looking at writing narratives, diary entries and biographies. We will continue to broaden our vocabulary and use this in a range of different sentence types. We will be using a range of punctuation which will include brackets and dashes.

Science

In Science, we will be finding out about properties and changes of materials. We will be comparing and grouping them based on their properties and carrying out investigations and experiments based on our scientific questions.

DT

In DT, we will be creating our own pop-up books. These will involve characters moving and use a range of joining techniques.

Geography

We will be looking at describing different biomes and their climate zones

PE

We will be looking at Cricket and Hockey.

PHSE

Working Together. We will be looking at the different strengths and weaknesses we have and how these strengths can help us in life.

RE

We will be looking at the Easter Story. We will be comparing this to other festivals and looking at what Christians believe.

Music

We will be looking at notation and how we can plan different instruments.

Important Information

- PE is on Monday and Thursday. Your child may come to school in their PE kit.
- It is important your child reads 3 times a week and their reading log must be signed and brought to school on a Friday.
- Homework will be handed out every Friday using ClassDojo. Please complete the homework each week and upload a picture to dojo.
