

How can fabrics be joined together?

Word	Definition	
Fabric	Cloth or Material used for making things such as clothes.	
Template	Helps to draw a shape more easily.	
Hand puppet	A puppet that fits over your hand. The head and arms of the puppet can be moved by moving your fingers.	

Key Knowledge and Concepts

Designing your hand puppet - Draw and label the things you will need

- What fabric will you choose?
- Will your puppet have hair ?
- What kind of eyes, ears and nose will you give it?

Technique - Think about the way you will complete this task.

You will use lots of different skills

Cutting

Gluing

Stapling

Pinning

Did you know?

Puppets were first invented over 3,000 years ago in Egypt.

They were made out of clay.
